The 2026 season at York begins with an intriguing two-year-old novice event where debutants could dominate. VARZI (6) profiles well on paper being a colt by Havana Grey out of Silberpfel (French 1600m winner) running for the Karl Burke stable. Likely player first up. CUT A DASH (2) represents Richard Hannon who won this race last year. Makes appeal being a colt by Starspangledbanner from the stakes-winner Promising. Big chance. SPECTACULAR DIVER (5) is the only runner that brings previous experience after an encouraging 1.25L second in a 1000m maiden at Pontefract on debut a fortnight ago. Every chance. COURSEYOU DO (1) is by Mehmas from Spirit Of Brittany. Interesting newcomer.

FLAT **TURF** **FAST** Participants #7

QUILT (3) remains unexposed after just three starts on the all weather last season. Significant potential making turf debut and is one to take very seriously from stall two. FOOTHOLD (4) has plenty of experience and is not without a chance on the best of his all-weather form from the winter. JUST A GAMBLER (2) now has blinkers fitted for the first time after finishing third a fortnight ago at Redcar. Drops in trip and needs a revival but cannot be dismissed from this stable who are in typical good form of late. FIZZY BEAR (6) tackles a handicap for the first time and might find things easier now out of maidens.

MOON OVER THE SEA (1) arrives under a penalty after several wins here over course and distance and last week at Windsor. Getting better with age and seemingly not done with winning just yet. VIRTUAL HUG (2) is keeping busy of late. Gained a deserved success back on turf over course and distance here a week ago and holds every chance of going back to back. ENDOFASTORM (6) looks overdue a change of fortune having finished runner up last two outings including when behind the main selection. Worth giving another chance. BASILETTE (5) is a better hurdler than on the flat. Might be up against it among this company.

LUCKY SEVENS (4) relished the application of first time cheekpieces two starts ago at Yarmouth. Possibly the next run came too soon so could go well here as rates the one to beat. ATALANTA MIST (3) holds good form on turf debuting third and then most recently third again here last month. Now up in trip and that could unlock further improvement. KAKIRRA (6) finally shed the maiden tag at Wolverhampton last week when landing a 2400m contest. Climbing in distance was a major plus and looks a serious contender.
