WEDONTTELLIES (4) receives a kind draw in gate four and remains very much unexposed over the 1000m. This Richard Hughes charge looked well ahead of the handicapper when striking at Goodwood last month and the 3kg rise in weights he was handed may well underestimate him. Lightly raced SHES GOT A BROTHER (5) is two from three and commands respect having finished a good fourth on her handicap debut at York last time. NAANA'S SHADOW (6) finished third in that competitive York handicap and could be in the mix once more. RILEY ROCKS (10) makes each-way appeal after a decent sixth behind the main selection at Goodwood in latest.

Karl Burke won this a couple of seasons ago and may do so again with POSSESSIVE (5). The team has already made a flying start with their juveniles this year and the son of Lucky Vega arrives having created a nice impression when scoring first time out at York (1200m). He's got a decent draw in stall six and can remain unbeaten. ALPE D'HUEZ (1) showed speed when making all to win first up at Lingfield AW and must be taken seriously. The more experienced HICKORY LAD (4) was a solid second at Chester last time out and that experience should stand him in good stead at this unique track. A DANDYMAN DAN (2) might get involved.

PERSICA (4) won this twelve months ago to take his record at the track to two from two and he will have been aimed for it once more. The classy Richard Hannon trained five-year-old finished a good fourth behind a noted runner in the G3 Earl of Sefton Stakes at Newmarket (Rowley) making his reappearance and that could have put him spot on for this. He won't mind any ease in the ground and can get the better of BOILING POINT (1) who drops back in trip having battled on well to claim the Listed Festival Stakes over 2000m at Goodwood. ICE MAX (3) was 1.75L behind in sixth that day but would hold major claims on his prior third in the G2 Huxley Stakes at Chester. QIRAT (5) heads the remainder.

AMELIA EARHART (2) doesn't look entirely straightforward however she clearly holds plenty of ability based on her seasonal reappearance success in the Listed Cheshire Oaks last month. Aidan O'Brien has won four of the last six renewals of the Epsom Classic and she may take some stopping from stall four with her unusual headgear combination that was fitted at Chester retained. This stiffer stamina test should bring out further improvement from the unexposed LEGACY LINK (5) who may prove a bigger threat on the back of her win in the G3 Musidora Stakes. THUNDERING ON (8) picked up well to land the G3 Salsabil Stakes at Navan (2000m) forty one days ago and could play a major role. DANCE IN THE STORM (1) is trained by Andrew Balding. Overcame a tricky track position to make a winning return from eight months off at Chester (1400m). She's been handed an ideal starting berth in gate two here and should have no problem with this unique track. A 3kg rise in the weights might end up proving lenient. She may confirm Chester placings with PIETRO (12) who managed to keep on and finish a creditable third having been slightly impeded late. CRIMSON SPIRIT (6) won well tackling this trip at Goodwood a fortnight ago. Cannot be ignored as a two-time course and distance winner from three attempts. The improving ZARATHOS (9) is another to note.
